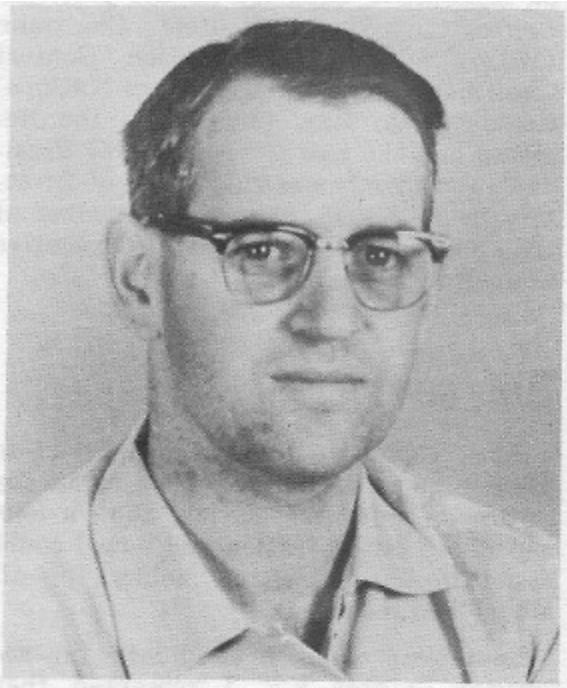
MMR_0022 Carol E. Homuth

General Convention Department Chairman Ed Van Leer and NFR President Carl Homuth during one of the intermissions of the meeting.



CAROL E. HOMUTH, of Harriston, Ontario, Canada, is 45 years of age and is a member of the Niagara Frontier Region. Carol joined the NMRA in 1953 and the Region in 1964. He is a Life member of both and is a Master Model Railroader. While he has not been active on the National level, other than Region Trustee, he has served his Region well. Carol has served as Division Superintendent, Secretary and a two year term as Region President.

Carol Homuth, MMR #22

Carol Homuth, of Harriston, Ontario, Canada, has become the 22nd member of the NMRA to earn the Master Model Railroader Achievement Certificate. Carol's seventh Certificate was Model Railroad Engineer—Civil; he also has earned Certificates as a Master Builder — Cars, Master Builder — Structures, Master Builder — Scenery, Model Railroad Engineer — Electrical, Association Official, and Association Volunteer.

Carol's pike, the Fumble and Grumble Railroad, is in HO and occupies a room in his home. His models of cars and structures have won prizes at both Niagara Frontier Region and North Central Region Conventions. Carol has served his Region as official photographer and as a member of the Contest Committee. In addition, he has served as Superintendent of the Western Ontario Division of the Niagara Frontier Region and is currently serving as Region President.
